

# Restock cost and sell-out

Catalog Alibaba listing prices. Same Stripe, postage, and returns model as the sample sell-through. Inbound freight shown at the catalog mid pad of \$6/sellable unit until DDP quotes replace it.

|                      |                      |                          |
|----------------------|----------------------|--------------------------|
| ALIBABA · 60 OF EACH | LANDED @ \$6 INBOUND | KEEP IF 60-QTY SELLS OUT |
| \$1,083.24           | \$2,883.24           | \$4,845.18               |

**Headline.** Buying 60 of every item is \$1,083.24 of product (\$2,883.24 landed at \$6 inbound per sellable unit). If that lot sells out at catalog retail, NestPaw keeps about \$4,845.18 after Alibaba, inbound pad, Stripe, \$5.50 postage, and a 3% returns pad. Product sales would be \$8,700.00 across 300 units.

**What this does not include**

DDP door quotes will replace the inbound pad. Ads, Higgsfield, tips cards, and packing supplies are not in this P&L. Snuffle and feeder postage may run \$7–\$12 instead of \$5.50. Lick mat listing price is still unknown — if bulk is cheaper than \$5.34, keep on that SKU improves.
